

Passionpreneur Publishing announces the global release of Digital Governance

The inspiring book by Ahmad Almulla and Arun Tewary is now available via major players in the global book distribution field

Available On |     

Dubai, United Arab Emirates Dec 17, 2022 ([IssueWire.com](https://www.issuewire.com)) - Passionpreneur Publishing has announced the release of **Digital Governance** by *Ahmad Almulla and Arun Tewary* via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

In this must-read book, *Ahmad Almulla and Arun Tewary* share invaluable insights, tools, and techniques for **Digital Governance with an emphasis on providing a practical Guide for CEOs of Large Enterprises**.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand, and the Middle East. The e-book is available in 25+ online bookstores like Amazon, Kindle, Barnes & Nobles, and Apple Books in the Middle East.

About The Author:

Ahmad Al Mulla is considered one of the leading figures and a known authority when it comes to digital transformation, innovation, and creative thinking with over 30 years of experience in IT and business coupled with international exposure. He is one of a few who have combined experience in Information Technology and Supply Chain Management coupled with strong leadership capabilities.

Ahmad has been a frequent keynote speaker at many conferences and symposiums globally; and has led many initiatives that have resulted in EGA receiving several prestigious awards locally, regionally, and internationally.

Ahmad has played a crucial role in establishing CIOMajlis (A platform for CIOs to network and discuss IT-related topics) and was the founding chairman. He also served as the vice chairman of Dubai Quality Group (DQG). In addition, He is a board member of the Association of Change Management Professionals (ACME) Middle East Chapter.

Ahmad holds an MBA from the University of New England and a bachelor's degree in Computer Engineering from the University of Arizona. He has completed the PED (Programme for Executive Development) at IMD Business School in Switzerland.

Currently, Ahmad advises boards of Directors, CEOs, and CIOs on IT strategy, cyber security, and IT governance, IT-led innovation. He serves as a board member of Paramount Computer Systems. He is a strategic advisor to HCL Middle East. He also is a board member of CIOMajlis and a member of the IDC Middle East advisory council.

Arun Tewary is a well-known name in the IT industry in the Middle East, where he has been active for the last 25 years. But he did not limit his interactions and exposure only to the Middle East; he has remained in active communications beyond his local geography.

He is a performance-driven professional with proven success in leading, managing, and overseeing technological transformation globally, as well as enabling worldwide business transformational milestones.

Arun is experienced in creating new business lines, facing digital transformation challenges, executing new IT operating models, and implementing technology plans. He is well-known for strategy planning and execution and advisory/consulting service with a stellar record of serving as a Board Member for multiple groups as well as councils. Throughout his career, he has attained comprehensive IT transformation experience that adds depth and practical value to the content of this book.

Arun has been a very active contributor to the world of Information Technology through his regular

contributions to journals, participation in professional events, and being an active speaker at various forums. He has been recognized by the industry through multiple awards “Winner of Aviation Technology Awards” in 2012, and the “Arab Technology Award” in 2011 for best implementation in the Travel & Hospitality sector.

After 40 years, Arun is still going strong in the domain of Information Technology. Starting from Cobol Programmer, Arun rose to various positions such as Systems Analyst, Project Manager, Head of IT, and then CIO in large organizations internationally. Arun has consistently worked for very large and reputed organizations. Now, he is an independent advisor to various companies and also sits on a number of boards.
