

Pay By Products And Barter !!!

Don't Spend Cash From Business Now

Mumbai, Maharashtra Dec 16, 2022 (Issuewire.com) - At BXI (Barter Exchange of India) www.bxiworld.com, We are very excited and feel India is Ready for Barter Now, with Businesses going Online with the help of Digital India, MSMEs Accepting Payments Through Various UPI | NEFT | Bank Transfers and conducting their large portion of sales on Ecommerce Platform. Some companies with the same Skill Set of Ecommerce Sales – Accepting Payments in Wallets are Ready for Barter Transactions.

We at BXI believe as Barter has the Answer to Solve Various Problems Business Owners | Companies face.

1. Generating New Business / New Sales
2. Save Cash & Cash flow of the Business
3. Liquidation of Additional Inventory
4. Maximum Utilization of Spare Capacity & Perishable Inventory
5. Networking with New Business Owners.

About BXI (Barter Exchange of India) is a B2B Market Place Community incepted on 6th JAN 2021 with the Purpose of Organizing the Barter Industry in India, Conduct Ethical Trade Practices, building a strong community of Good Companies that are ready to Give What they have, and Take What they Want on Barter within the BXI Community.
