

Plan Your Short Visit to Turkey in The Holidays in A Faster Way with Turkey eVisa

Istanbul, Turkey Dec 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - Going to Turkey for a trip is one of the most common bucket list activities of travelers. The beautiful country with picturesque natural sceneries and commendable architecture has easily become one of the most popular holiday destinations. But entering the country for foreigners would require a visa. The physical Turkey visa is collected from the Turkish Embassy, whereas collecting the Turkey eVisa can be done online. The **Turkey Visa Online** is available for a short visit to the country and people can utilize it for different purposes.

The **Turkey Visa Application** can be entirely done online, as a matter of fact, in just a few minutes. This is a multiple-entry Turkish visa that holds a validity of 180 days. The Turkish eVisa is directly linked with the passports of travelers electronically. Most of the applications are processed in between 24 hours but it is also advised to travelers to apply for the eVisa at least 72 hours prior. More information about the visa and its application process are available at <https://www.turkey-visa-online.org/visa/>.

The Turkish eVisa was implemented in 2016 by the Government of Turkey and the United States and Australia were the two launch members of this program. **Turkey Visa for US Citizens** can be obtained easily and the application process is kept simplified for the citizens of the United States. The requirements are also kept minimal for US citizens, the application process requires a valid email address, a valid passport, and a valid payment method. This payment can be done in three ways, with a credit or debit card, or with a PayPal account. The eligibility parameter for visas for US citizens is now

going live at <https://www.turkey-visa-online.org/turkey-visa-eligibility/united-states-citizens>.

The **Turkey Visa for Australian Citizens** allows the same benefits and the visa is valid for the purpose of tourism and business only. If the citizens wish to study or work in the country, they need to get a regular or traditional visa. With the Turkish eVisa, Australian citizens can stay up to 90 days in the country.
