

## Production of instrumental songs by Radmehr Avini with the theme of Iran

Radmehr Avini is an Iranian singer, He was born on the 29th of January 1992

**Tehran, Iran Dec 19, 2022 ([Issuewire.com](https://www.issuewire.com))** - Not all accountants are great musicians until you are **Radmehr Avini**, however, the musician who goes by the name **Radmehr Avini** is one of the youngest influential personalities who has swooned everyone with his musical skills, he is a singer, composer, songwriter, music arranger, sound engineer, musician, actor, accountants and has brought the best out of himself.

In the past few years, he completed his song "**Mishe Royato Besazi**" by the end of summer 2018 and released it in September, In this song, he talked about successes.

He had released the latest track "**Az Sedat Labrizeh**", which was a huge hit among everyone.

**Radmehr** is a native of Tehran, Iran. The multi-talented artist and businessman have over the years built powerful connections in the music industry.

The young guy who was cavorting with Persian movie stars and footballers chose his own path and became a pro in the music world. After becoming a master in Composition, he started producing pop music and immersed himself in the culture. It was in 2018 he produced tracks for the most renowned singers in Iran after which he produced tracks under his name as well.

In the past (2019), he composed a song called "**Mahde Radmardan**" which he wrote about his country and homeland.

His attitude about this song is a beautiful work that inspires even in this year 2022 and critical days when Iranian people are going through very difficult conditions.

He plans to produce a new song on the subject of his country, **Iran**, in order to express himself to the people of his country with his musical voice.

The death of Mahsa Amini and many Iranian teenagers were very influential for him in producing this song.

The fan can listen to **Radmehr Avini** on Apple Music, and Spotify and for further updates follow the artist on Instagram, Facebook, and YouTube.
