

Roberto C. Aguirre, MD, CPI, CCRP, a Clinical Researcher with hyperCORE International

Get to know Dr. Roberto C. Aguirre, who serves patients in Hialeah, Florida.

New York City, New York Dec 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Aguirre, a Foreign Medical Graduate, is the Chief Medical Officer at hyperCORE International in Hialeah, Florida.

hyperCORE International is a super network of highly experienced and awarded clinical trial sites working together to accelerate and advance clinical research. Each member operates as an independent company but integrates common functions to streamline business and clinical operations through harmonization and sharing of best practices. Currently, hyperCORE International is composed of 8 alliance partners with over 100 sites spanning 2 continents and 5 countries.

Among his other titles, Dr. Aguirre serves as a member of the Leadership Council on the CNS Summit, a Certified Principal Investigator (CPI) through the Association of Clinical Research Professionals, and a Certified Clinical Research Professional (CCRP) through the Society of Clinical Research Associates.

Throughout his academic career, Dr. Aguirre received his medical degree from Universidad Catolica Santiago de Guayaquil in 2001. He then continued his Research Education at the University of Miami in Florida and received his CPI certification from ACRP in 2013.

Having dedicated his career to clinical research, Dr. Aguirre is one of the Founders and Vice President of AGA Clinical Trials since 2007. It is an international research organization with sites in Miami, Florida & Ecuador, and South America which conducts Phase I through IV research in multiple medical specialties, inpatient/outpatient services, pharmaceutical, biotechnology, and medical devices.

Thanks to a team of prolific investigators, business partners, and research personnel, Dr. Aguirre has collaborated with different functions in over 220 research trials in pediatric and adult populations. He has vast volunteer experience with hospitals in Ecuador as a student and physician.

On a more personal note, Dr. Aguirre speaks both English and Spanish.
