Vikrant Gashwa and Rahul Himral are the directors of the documentary while Tanvi Raghuvanshi plays the role of Production Manager. This beautiful city situated in the lap of the Himalayas is not only known for its tourism but this city has other importance as a result of which it was given the status of summer capital in 1864 by John Lawrence. The documentary also depicts the ancient architecture of Shimla, the lifestyle of the people, and their reverence for their Gods and Goddesses. This film has been produced at places like Ridge Maidan, Jakhu, Vidhansabha (The Council Chamber), Advance Study (Vice Regal Lodge), etc. of Shimla.
