

Shop 60% OFF Ultimate DVD Toolkit on Leawo After Christmas and End of Year Sales 2022

Leawo Software recently launched their after-Christmas and New Year online sales, offering 60% off Ultimate DVD Toolkit, an all-in-one DVD decryption, backup and burning solution.

Shenzhen, Guangdong Dec 28, 2022 ([Issuewire.com](https://www.issuewire.com)) - As we count down to 2023, we're also increasingly looking forward to after-Christmas and New Year's Eve deals. While it doesn't have the same notoriety as Black Friday and Cyber Monday, they're just as good for great savings. Leawo Software, a professional multimedia solution provider and an award-winning video/audio converting software supplier, recently unveiled their [2022 Christmas & New Year Sales](#). Starting today, until Jan. 15, 2023, shoppers can grab 60% off Leawo Ultimate DVD Toolkit to decrypt, rip and convert DVDs to video, copy DVDs to a computer or blank disc, burn video/photos to DVD content, and more. Plus, other up to 70% discounts and DVD Ripper are available.

As one of the most comprehensive DVD solutions, Leawo Ultimate DVD Toolkit integrates 3 programs into 1 package, including [DVD Ripper](#), DVD Copy, and DVD Creator. During the event, this bundle is only \$47.94, a savings of \$71.97. In other words, a lifetime license for each module is only \$15.98. The following are detailed introductions of 3 modules in this package.

- DVD Ripper is designed to help users rip and convert DVDs to video in 180+ formats, such as MP4, AVI, MKV, MOV, etc. Not only that, but it also supports [extracting audio content from source DVD](#) and saving it in various formats like AAC, FLAC, WAV, MP3, etc. What's more, this software can be regarded as a DVD player, DVD editor, and 3D movie maker.

- DVD Copy is the most powerful DVD backup software because it can duplicate DVD discs, folders, and ISO image files without quality loss. Plus, DVD protections like CSS and region code can be removed after DVD backup. With 3 copy modes – Full Movie, Main Movie, and Custom Mode, users can choose to copy the whole DVD, movie-only content, or selected parts of the source DVD.
- DVD Creator is a versatile DVD-burning program, which can create a DVD disc, folder, or ISO image file from videos in different formats. Also, there are built-in video editing features to let users customize their videos, like trimming, cutting, watermarking, applying 3D effects, and more. Better yet, with a built-in disc menu and templates, it can create photo slideshow videos and burn them to DVD.

Having said that, DVD is always sentimental, because streaming is absolutely overwhelming right now. Therefore, Leawo Software specially prepared [CleverGet](#) All-in-One 9 with a 50% discount. Currently, it has 20 modules like Video Downloader, Twitch Downloader, Netflix Downloader, Hulu Downloader, OnlyFans Downloader, etc., helping users to download up to 8K videos from 1000+ websites. Now, shoppers can download videos for life on all major sites for just \$199.95 — probably the best deal they've ever come across.
