Chandler, Arizona Dec 20, 2022 (IssueWire.com) - Inadequate dental care has been linked to overall health issues. Too many people put off going to the dentist because they want to avoid paying large amounts for treatment. There is no longer any excuse for putting off dental care. Do you live in Chandler, AZ? If yes, then this is for you. Shumway Dental Care has announced new financing and insurance options for patients. Now you can enjoy the benefit of your dental coverage and attain the proper dental treatment without worrying about big bills.

The coverage provided by dental insurance helps bring the overall cost of a specific procedure down. You can now receive the highest possible compensation for dental procedures by using the financing and insurance alternatives available. Our team members will assist you in filling out your insurance form and obtaining the insurance benefit to which you are entitled.

We recognize the importance of dental insurance. Our team at Shumway Dental Care is here to help you achieve a beautiful smile and to provide you with essential preventative care. [Financing and insurance programs reduce your costs](#). Today, if you are looking for such a plan, speak with our dentist.
