Get to know Obstetrician-Gynecologist Dr. Stephanie Langsam, who serves patients in Wynnewood, Pennsylvania.

New York City, New York Dec 22, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Langsam is a board-certified

obstetrician-gynecologist working at Lankenau Medical Center. Her specialties include obstetrics/gynecology, maternity care, and minimally invasive gynecologic surgery.

“I believe the life-long relationships with my patients are the key to personalized care. Being able to collaborate with patients in the many stages of life provides a strong foundation for their health” expressed the doctor.

Lankenau Medical Center, part of Main Line Health, is a 370-bed acute care, teaching hospital in Wynnewood, Pennsylvania. It has been named one of the top 5 hospitals in the Philadelphia region by the U.S. News & World Report and received the Gold Seal of Approval from the Joint Commission.

Academically, Dr. Langsam attended Technion Israel Institute of Technology where she received her medical degree. She then relocated to the United States, completing her residency in obstetrics and gynecology at Lankenau Medical Center.

A Fellow of the American College of Obstetricians and Gynecologists, she is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

In her spare time, Dr. Langsam enjoys spending time with her husband and three children, reading books, going to the beach, and long runs.
