Get to know Dentist Dr. Steven M. Toschi, who serves patients in San Jose, California.

New York City, New York Dec 29, 2022 ([IssueWire.com](https://www.issuewire.com)) - Bringing world-class dentistry to all of his patients, Dr. Toschi is the Owner & Operator of Toschi Smile Enhancement in San Jose, California.

By using state-of-the-art equipment and materials, combined with a mastery of the art of aesthetic dentistry, he can always provide an individualized solution to enhance any smile. He is able to conservatively restore the youthful natural beauty of any tooth.

Not just a cosmetic dentist, he also specializes in implant dentistry, treatment of the TMJ (jaw joint), occlusion (how the teeth come together), Invisalign (straighten teeth without wires), and Cerec crowns. Cerec is an all-ceramic, single-visit, chairside CAD/CAM restoration system.

Having been using this high-tech equipment since 2002, it allows Dr. Toschi to create perfectly fitting, aesthetically pleasing, strong ceramic restorations in one office visit (crowns, onlays, inlays).

As a graduate of the Georgetown University School of Dentistry, Dr. Toschi has dedicated his professional career to providing his patients with the absolute best that dentistry has to offer. He is constantly attending continuing education courses focusing on the rapidly evolving science of implant dentistry and cosmetic dentistry in order to bring his patients the latest technological advancements.

With a passion for his profession, he is an active member of the American Academy of Implant Dentistry, the Academy of General Dentistry, the American Dental Association, the California Dental Association, and the Santa Clara County Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy and aesthetically pleasing.
