

# Tianna DeNA Jones Strikes with Global Peace On The Rise

Female Humanitarian Shares Gifts Nation Wide

**San Marcos, Texas Dec 13, 2022 ([Issuewire.com](https://www.issuewire.com))** - Tianna DeNA Jones also known as Cali Fae, the artist of many gifts with talents has finally branched into her full potential following her faith as a lead to her success. The owner of Caligirlbooks LLC established during the pandemic the year of 2020 has increased all publishing in the 21st century. This woman has done something that many authors, artists, businesses, or entrepreneurs have not accomplished. Founder of "All Lives Do Exist" and "Women's Lives Do Exist", Tianna DeNA Jones has found a way to utilize technology and media by starting two Global Peace movements that are safely trademarked. The mission behind these movements is to share equality amongst all people of Culture, Nation, Ethnicity, and Gender. In the year of 2022 Tianna DeNA Jones, since the month of May has accomplished 234 Contracted Global Peace Brand Ambassadors in over 150 countries. Amazed by the expressions of speech through each Nation Jones was grateful to host and join virtual summits with topics of climate change, all Sustainable Development Goals, Agriculture, the importance of Passover, respect for earth day, Global Poetry readings, Global Youth Character building monthly summits, Mental Health Awareness and Prevention Global Summits, Meta, Technology, Education, Innovations, Economic Developments, Sciences and more!

During this short period of time, Tianna DeNA Jones received 4 Global Honorary Doctorates proving her abilities to psychologically tap into healing others with her spiritual gifts by asking the right questions, giving awareness, and comforting people with solutions. We watched Jones carry her way through summits not being educated on the topics but having a spiritual connection with God to know the topic giving solutions to them. Sharing this unique ability can really bring Global Peace for the United States to have more alliances with countries that are in fear of upcoming battles of the war. Jones is defined as an icon of her generation sharing her principalities as a future guideline for the World.

You can view her music under the name of Cali Fae proving this action to be true on Apple iTunes, Spotify, SoundCloud, and YouTube, or read her books under the only name of Tianna DeNA Jones through Amazon, Barnes, and Noble as well as located through eBook from her personal Shopify. on Shopify, you can also find her new humanitarian magazine called, "All Lives Do Exist" where she features her Global Peace Brand Ambassadors, Business Owners, and much more.
