

Veteran Entrepreneur Douglas Fulton Releases Worldwide: Grow (A Blueprint to Successfully Launch Cannabis Beverages)

Releases Worldwide: *Grow* (A Blueprint to Successfully Launch Cannabis Beverages)

Douglas Fulton, a recognized leader in international business and founder of The Brand Accelerator, has announced the release of his latest book, ***Grow A Blueprint to Successfully Launch Cannabis Beverages***. A powerful new resource for those seeking to harness business opportunities in the cannabis industry *Grow* offers readers an exciting roadmap for successfully launching cannabis beverages anywhere in the world.

A pioneer in new sectors of business, Douglas Fulton made his mark in the cannabis industry and cannabis lifestyle product entrepreneur. He previously served on the Board of Directors of Tinley Beverage, Co., a publicly listed Canadian cannabis company known for manufacturing liquor-inspired, non-alcoholic, and cannabis-infused beverages in California, the United States, and Ontario, Canada. While at Tinley Beverage Co, he helped build the largest contract manufacturer of cannabis beverages in the State of California. Previously, he was also President of Entertainment with Dave Networks and Senior Vice President, of Europe for SBS Broadcasting, Europe's second-largest broadcast group.

Today, Douglas Fulton helps brands and the board of directors through his cannabis brand accelerator and advisory practice at [The Brand Accelerator, LLC](#). Entrepreneurs, founders, senior executives, existing brands, and MSOs can take advantage of The Brand Accelerator's comprehensive program to receive guidance from professionals like Fulton through every step of their business, from creating ideas to developing products, and from manufacturing products to formally launching them worldwide, using proven strategies, methodologies, and step by step resources. Fulton and The Brand Accelerator are actively scheduling initial appointments with founders and brands to help them achieve their business goals.

Fulton brings this experience in business and the cannabis industry to every page of *Grow*, where he lays out a practical and strategic guide that will help anyone in the cannabis industry, or even those hoping to start their own cannabis company, dramatically save time and money with valuable industry insight and experience
