

Water Meter Pit Cover Manufacturer

Proxl Global manufacturer, supplier, and distributor of plastic water meter boxes.

Delhi, India Dec 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Proxl Global](https://www.proxlglobal.com) manufacturer, supplier, and distributor of plastic water meter boxes. A water meter box is the best option to protect your water meter from destruction. Protecting your water meter is probably the best venture that you can make on the grounds. These meter boxes are very affordable, attractive, and durable. If a water meter is damaged then very costly to repair a water meter and it's advised that everyone buys a meter box. The water meter boxes come in the two most popular colors such as blue and black. The standard box covers size 5/8 x 1/2" and 3/4" water meters.
