

Abel Mendoza Calls Out Manny Pacquiao

Potential Fight Between Manny Pacquiao and Abel Mendoza By End Of 2023.

New York City, New York Jan 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - Manny Pacquiao wants to return to boxing and undefeated Pro Boxer Abel Mendoza wants to be the first in-line when Pacquiao returns. Abel Mendoza (33-0) last fought on December 10 in Seoul, South Korea on a Triller Fight Club-produced fight card that was headlined by former eight-division champion Manny Pacquiao. Mendoza surprised everyone when he took the mic after his performance to call out Manny "Pacman" Pacquiao. Able Mendoza like Pacquiao his fight was an exhibition fight. Mendoza gave an amazing performance. The whole card was a product of great upcoming boxers. On the undercard, powered by Future Stars Min Wook Kim, Sean Garcia, Nico Hernandez, Jose Castillo Jr, and Maurice Lee. Abel Mendoza had a stunning performance dominating his opponent throughout the entire match.

Mendoza is ready to take on the top contenders in Boxing and has no fear as he demonstrated in South Korea. Mendoza in a previous interview says Pacquiao was his boxing idol growing up. "You know he's an inspiration, and he's debating whether or not he wants to come back to boxing, and if he does come back, we want to be the first in-line. You know I'd be great to fight Manny Pacquiao and we want that fight," said Mendoza. Mendoza has invested much time in perfecting his craft for his idol to become his rival. Mendoza has won the WBC regional feather-weight title, American Boxing Federation Continental American Feather title, and other multiple titles. "I've had to be patient in my career, but I'm certainly ready for a big challenge and I feel I'm ready to challenge the top fighters in the World," said Mendoza. Mendoza has an incredible record, especially for a boxer who has not been signed to a promotional or management company. Mendoza said "I'm just waiting for the perfect connection. I feel that I'm ready now to work with a company that's going to take me to a World title level". Abel Mendoza is on track to becoming an undisputed champion. He is definitely worthy of a Manny Pacquiao caliber opponent with his stunning record. Will Manny Pacquiao be up for the challenge or continue to take exhibition fights?

Manny Pacquiao announced last Saturday that he has a deal in place with Japan Rizin Fighting Federation to compete this year in Saitama, Japan. Pacquiao did not go into much detail about the fight. Rizin is known for putting on MMA, boxing and Kickboxing. Pacquiao's rival Mayweather has done two exhibition boxing matches with Rizin. Pacquiao did state after his deal he plans to return to a regular boxing match. Abel Mendoza will be preparing for his return and hopes to be the first in line for that fight. Mendoza is expected to fight for World title belt this year . The possible fight between Manny Pacquiao vs. Abel Mendoza is expected by the end of 2023.
