

Alix Gay, MD, an Internist with Van Buren Medical Center

Get to know Internist Dr. Alix Gay, who serves patients in Hollywood, Florida.

New York City, New York Jan 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - A prominent internist with a subspecialty in geriatrics, Dr. Gay tends to patients at his private practice - Van Buren Medical Center - in Hollywood, Florida. His clinic offers a high level of personal and professional service, and his staff is fluent in multiple languages including French, Haitian-Creole, Spanish, German, and English.

In his clinical role, he is committed to meeting the needs of all his patients, who range in age from 18 to

65 and above. He treats a wide range of health concerns including diabetes, hypertension, cardiovascular disease, pulmonary issues, lipids, and morbid obesity. His goal is to provide excellent care and focus on preventative medicine through regular office visits.

Back in 1981, Dr. Gay received his medical degree from St. George's University School of Medicine. He then went on to complete his residencies at Meharry Medical College School of Medicine in 1988 and the University of Miami-Jackson Memorial Hospital in 1990.

With an unwavering commitment to his specialty, the doctor is board-certified in internal medicine by the National Board of Physicians and Surgeons (NBPAS). The NBPAS is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In affiliation with Memorial Health System, he can be found on staff at Memorial Hospital Pembroke, and Memorial Regional Hospital.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in Internal Medicine are called Internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
