Get to know Licensed Practical Nurse, Amanda Crowson, who serves patients in Moulton, Texas.

New York City, New York Jan 12, 2023 ([IssueWire.com](https://www.issuewire.com)) - A devoted licensed practical nurse specializing in long-term care, Amanda tends to patients at Shady Oak Nursing & Rehab Center in Moulton, Texas.

The staff at Shady Oak Nursing & Rehab Center is dedicated to providing comprehensive skilled care, being caring and compassionate, and creating an intentional home-like experience for all of their residents. They set their focus on the individual—providing quality care to meet their unique needs.

Always knowing she wanted to help people, Amanda earned her nursing degree in 2012 from Victoria College. She is currently working towards becoming a registered nurse.

On a more personal note, she attributes her success to building lasting relationships with her residents who are like her own family.

As a licensed vocational nurse, you'll provide patients with quality care and comfort measures under the supervision of registered nurses (RNs). This includes performing numerous clinical tasks and offering basic care and assistance to patients in a variety of settings, such as hospitals, medical offices, and long-term care facilities. Chances are you've interacted with numerous LVN nurses during your own medical care.
