Greenville, Delaware Jan 30, 2023 (Issuewire.com) - Entrepreneurship is perhaps a dream that is shared by many but most people do not embark on their journey due to a lack of knowledge, resources, and tools. Empowering readers and dreamers around the world, Paul de Sousa has come up with complete guidance through his literary creation titled the 'Entrepreneurs Blueprint: Think it, Fund it, Build it, Sell it!'. The book has been published on November 6, 2022, and already became the #1 best seller in four categories including for Startups. The book is available on Amazon for purchase in Kindle edition, paperback version as well as Audible Audiobook; offering global readers a variety of options to absorb valuable knowledge and insights for successful entrepreneurship.

Paul has done an amazing job in crafting this remarkable resource for entrepreneurs around the world that can dramatically help everyone to start their businesses and chase the dream they have been wanting to fulfill for so long. The book consists of an array of pro-tips, strategies, and effective tactics along with ample resources that help to gain success within a short duration. Solely written for entrepreneurs, founders, innovators, managers, and business persons; the book is capable of channelizing a new spirit among everyone to create their own businesses. Startups are a huge part of the economy which is giving birth to many independent businesses. 'Entrepreneurs Blueprint' can help to pave a smoother way ahead with fruitful results.

This resource book applies to all kinds of entrepreneurs regardless of the industry and verticals. It is comprised of resources like a detailed database for more than 10 000 investors and funders, free accounting software, an effective list of more than ninety free templates, and the list goes on. Just like the title suggests, it is a blueprint for entrepreneurs to think, build, fund, and sell a product and business. Starting from the paramount importance of canvas modeling ideas, driving hot traffic through social media, and building a loyal fan base to gain knowledge of financials, critical sales tools, and e-Commerce; it is an all-in-one book recommended for everyone. Purchase this best-seller book at https://www.amazon.com/dp/B0BM7J87MZ?binding=kindle_edition and establish a business

successfully.
