Florida City, Florida Jan 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - [American Rattan](https://www.americanrattan.com), a leading rattan furniture online store, announces the release of a new line of tropical and coastal furniture. The new collection includes several collections of outdoor dining furniture as well as garden seating and a patio table set for both indoor and outdoor use. The new products are manufactured in the USA and are available to consumers through the American Rattan online store.

American Rattan is a leading rattan furniture online shop where people can shop for outdoor patio furniture and indoor furniture like coffee tables. They also have a blog where people can read about the company and its products. *"Rattan is a very popular material that people use for making their furniture. It is a natural product, and it does not have any chemicals or toxins in it. This makes it great for indoor use as well as outdoor use because it will not affect your health or the environment in any way, shape, or form. Our main product lines are Rattan Dining Chairs, Sunbrella Sofa Furniture, Rattan Lounge*

Chairs, Rattan Sofas and Mid-Back Office Chairs, and more." said American Rattan founder Mark Mosher.

Eco-friendly rattan furniture is an environmentally-conscious alternative to traditional furniture. It can be made from recycled materials such as palm fronds, coconut husks, bamboo, or reed stems. The best part of rattan furniture is that it's simple to care for. Homeowners do not need any special tools or chemicals to maintain their furniture.
