"Le 27 janvier, préparez-vous à vivre l'expérience de mode la plus innovante de votre vie ! Le célèbre designer Ishmael Avery présentera son défilé "Angel Girl" à Los Angeles et à Paris. Cette collection unique s'inspirera de l'idée que chacun d'entre nous a un ange gardien, que nous soyons conscients de sa présence ou non. **Los Angeles, California Jan 25, 2023 ([Issuewire.com](http://Issuewire.com))** - I am Priya Anand working in community relations here at AngelWorld. Although you've most likely not heard of us yet, AngelWorld is an eco-designer fashion brand that is hosting a simultaneous **fashion show in both Los Angeles, California, and Paris, France on Friday, January 27th, 2023.** Our introductory event is focused on

showcasing our sustainable fashion designs to the world. The brand is committed to working with established media outlets and building new relationships in the media space, which is the purpose of this email to you.

We are excited to formally invite you to the **AngelWorld** eco-designer fashion event, which is the first of its kind being held simultaneously in two locations on the same day at the same time making it a truly international event.

The event will begin at **12:00 P.M. in Los Angeles** and at **9:00 P.M. (2100) in Paris** to account for the time zone difference. Although the event in both locations is now sold out, we will be live-streaming the event for those who are unable to attend in person.

If you believe you or someone at your company may be able to attend one of the two locations in person, feel free to email me back and I will try my best to place you on our VIP list as we value relationship building above all else.

With that said, this message is long enough and I appreciate you taking the time out of your busy day to read this email. We are wishing you all a successful and happy beginning to the new year and I sincerely hope we cross paths in the future.

I have included a link to the website below where you can learn more about the brand and formally RSVP for the live stream if interested. Visit <https://angelworld.love/rsvp> to learn more.

With love and excitement,

Priya Anand
