Get to know Dentist Dr. Atul Bansal, who serves patients in Haverhill, Massachusetts.

New York City, New York Jan 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Bansal is a dedicated dental professional with a passion for providing the best care possible to his patients. He provides a full range of family dental services including pediatric dental care, root canals, implants, smile design, crowns and bridges, tooth-colored fillings, teeth whitening, and Invisalign.

Academically, he received his Doctor of Medicine in Dentistry degree from the Boston University Goldman School of Dental Medicine in 2011, building upon the dental degree he obtained in India in 2003. Since then, he has actively sought out opportunities to continue his education and refine his clinical skills, participating in a variety of Continuing Education programs in areas such as dental implants, cosmetic dentistry, Invisalign, and Root Canal treatment.

In addition to his commitment to patient care, Dr. Bansal is also active in the professional dental community. He is affiliated with several respected organizations, including the International Dental Implant Association, the Academy of General Dentistry, the American Dental Association, and the Massachusetts Dental Society. Furthermore, he is also an officer in the US Army Reserves.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Among his most notable achievements, Dr. Bansal has been the recipient of the Best Dentist Award by The Eagle Tribune in 2022.

When he is not working, he enjoys spending time with his family. He is continuously motivated to improve his skills to deliver the best care to his patients.
