

Be Blessed with The Perfect Party Track ‘El Ruiseñor’ by Impressive Music Artist Castion

The Eminent music artist Castion is making everyone dance with his perfectly balanced release ‘El Ruiseñor’, a track offering the boost and beats to make you dance.

Tenerife, Jan 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - Antonio Castrillo Cabrera was born in Tenerife, Spain, and has spent most of his days loving this great form of art. **Castion** first started to make music when he was just 14 years old; during this time he also found his love for remixing tracks and making them more peppy and catchy. And since the last two years, he has been diligently making and releasing

numbers. By far he has over original 80 tracks some of which are available on various social media platforms.

His latest release '[El Ruiseñor](#)' is a treat to listen to. The song has been produced under the recording label Night Service Only. And **Castion** was at his best in this number. The grooving styles of the number were truly enjoyable for every music lover. With time he is getting better and achieving heights and success along with his compelling ways of making music. The complexity of his music was truly widely pleasant.

The agreeable tracks by this buoyant artist are making an impressive platform that will help him to grow widely in his career. '**El Ruiseñor**' is one of his better releases that will have a consuming effect on the listeners. Apart from this number some of his releases are 'PYRO', 'Make It High', 'Prophecy', 'Don't Stop', 'Bright Lights', 'Evolution', 'Euphoria', and 'Take Me Higher'. He will soon be back with more compelling and gravitating releases in the future. Until then you can follow him on various social media platforms like [Instagram](#), [Twitter](#), and [Facebook](#). And his musical catalog is available on Spotify.

Castion's new song is out on Spotify:
