TASC Corporate Services or tasccorporateservices.com is a strategic business partner for companies in the UAE, including Dubai. It is the top agency providing PRO services in the region as a mediator between companies and the regional government.

Dubai, United Arab Emirates Jan 19, 2023 ([IssueWire.com](https://www.issuewire.com)) - TASC Corporate Services or tasccorporateservices.com is a top strategic business partner for companies wishing to set up business in the UAE. It provides services like business setup, payroll management, professional PRO services, and HR operations. It is renowned for effectively delivering such services in the region, including **PRO services Dubai**.

The TASC group of companies was founded by current CEO Mahesh Shahdarpuri in 2007 in his effort to set up a unique people-focused business. Thanks to the hard work and determination of the TASC team, TASC has proved to be a leader in HR solutions and staffing services in the GCC region. With their extensive expertise in regulatory processes collated over the years, they are also now the most reputed specialists in company formation in the same region.

They have outsourced over 5500 associates in several industries, processed over 10,000 visas, and served over 450 clients. In the process, they have also maintained the top 1% rating in customer NPS score. They serve as the extended arm of clients from the stage of inception to expansion and beyond. They not only aid in outsourcing a range of HR services but have become the knowledge partner for local regulations and laws, including current trends in the market.

TASC has collaborated with some of the most respected and reputed organizations in the GCC. Their customer portfolio extends from local government organizations to multinational companies. They also partner with private offices of the ruling family of the UAE, crucial global trade organizations, and several business councils.

The main brands of the TASC group of companies are threefold- Future Milez, TASC outsourcing, and AIQU. Future Milez will help you ride the path of success by offering superior client service and staying in the process of state-of-the-art innovation.

TASC Outsourcing has been helping businesses in the GCC grow in the last 15 years by offering access to world-class talent and placing thousands of candidates in their dream jobs. Today, they are the leading HR and recruitment specialists in the Middle East.

AIQU is a specialized agency catering to tech recruitment that matches top talent with companies seeking their skill sets. Their team understands your needs and garners you qualified candidates even as fast as 48 hours.

The reputation of TASC for expertise in professional services and business setup is matchless in the GCC region. Based in Riyadh, Dubai, and Abu Dhabi, they deliver professional services of high quality to thousands of companies in the region.

If you wish to set up a business in the Middle East, TASC is the right consultant. They are the region's most highly reputed specialists for business formation, who will help you navigate the total process from getting licenses to acquiring government approvals.

Their flexible payroll solutions take good care of your business and can be regarded as the extended

arm of your company. They provide you with the advantage of their rolling investment in most modern accounting technologies by seamlessly integrating with your payroll policy.

Next, you can entrust all your HR functions to TASC, including strategy of compensation, succession planning, auditing, and policy development. You can enjoy the advantage of industry-leading support and planning to promote the growth of your business.

Finally, TASC corporate services offer the best [PRO services in UAE](#). Though PRO services are a key ingredient of doing business in the UAE, their importance is often neglected. Having over 15 years of experience, TACS is the top PRO services company in the GCC and provides scalable and dependable PRO solutions.

PRO services of TASC include visa management, trade license compliance, and regulatory transactions. Visa management comprises passport management, document validation, employee coordination, and end-to-end management of visas.

Trade license compliance includes activity management, license cancellation, license amendments, and license renewals. Regulatory transactions comprise notarization, rental transactions, messenger services, and RTA transactions.

Companies will want to shorten PRO timelines and maximize PRO effectiveness. By outsourcing PRO functions to TASC, you can save on administration and staffing costs. The TASC team will manage the whole process and always keep you in the loop regarding current aspects of the process.

TASC offers a dedicated account manager to help you keep you abreast of daily operations with reporting and governance and provides a framework that supports the needs of the government as well as the company.

In case you are seeking PRO services in Abu Dhabi, Dubai, or any other place in the UAE, TASC is your best bet. The TASC team is highly well-versed in the needs of the UAE. They know what exactly the government is looking for and are familiar with the process of gaining approvals.

The TASC team will collaborate with you to ensure that a project is compliant with government regulations. They will aid you in navigating the process of approval in order to launch your project as soon as possible.

Additionally, the agency is familiar with the UAE business culture. They know what businesses are seeking and can help you meet your requirements.

TASC offers a dedicated accounts manager to every client. This manager will help clients with anything they need, from submission of documents to gaining vis permits for employees.

The TASC team provides reporting of daily operations to keep clients informed about the progress of their project and whether it is on track. They have a framework that is friendly to both government and company requirements. TASC has a long history of working with both private and public sectors.

Finally, the PRO service offered by TASC is the best since they arrange customized options for clients. They understand that each client has special needs, and so they provide a range of options that can be tailor-made for the specific situation of clients.
