Lucknow, Uttar Pradesh Jan 28, 2023 ([Issuewire.com](https://www.issuewire.com)) - Best PET CT Scan hospital in Lucknow - Globe Healthcare

Lucknow, India – Globe Healthcare, the best cancer hospital in Lucknow, is proud to announce the opening of its new state-of-the-art PET CT Scan facility, providing Lucknow with its first [PET CT Scan service](#). This new addition to our hospital will provide advanced diagnostics and clinical services to our patients, ensuring that they receive top-quality care at an affordable cost.

Our team of cancer specialists is dedicated to transforming cancer care and improving patient outcomes. We understand the importance of patient safety, comfort, and access to high-quality care and strive to continuously improve our services through innovation and collaboration.

The PET CT Scan is an advanced imaging technique that combines Positron Emission Tomography (PET) with Computed Tomography (CT) to provide detailed information about the body's organs and tissues. This technology will help our team of specialists accurately diagnose and plan treatment for cancer, heart disease, brain disorders, and other conditions, providing a reliable option for cancer

screening in Lucknow.

“We are thrilled to bring this cutting-edge technology to Lucknow,” said Dr. Deepak Kumar Agarwal, founder of Globe Healthcare. “We are committed to providing affordable [PET CT scan costs in Lucknow](#). Our vision is to be a leader in cancer care, bringing advanced diagnostics and clinical services under one roof to make a meaningful difference in the lives of those affected by cancer.”

Globe Healthcare is committed to providing the best care possible to our patients and this new facility is just one way we are fulfilling that commitment. We look forward to welcoming patients to our new PET CT Scan facility for [PET CT scan in Lucknow](#) and providing them with the highest quality of care.
