

Bfunkn Pulls Listeners into A Party Mode with His New Single 'PULL UP ON ME'

The promising music artist BFuncN grabs the attention of party-heads with the fun and energetic vibes of his newest funk hip hop and R&B release 'PULL UP ON ME'.

Fountain Valley, Jan 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - Bringing together synth-dance vibes and nostalgic funk elements, **BFuncN** has poured out a mood-lifting number titled '[PULL UP ON ME](#)'. The skillfully crafted musical piece exhibits the artist's multilayered creative originality that is both refreshing and engaging. The song exhibits impressive energy and addictiveness that gets listeners hooked in a jiffy.

The track is nostalgic as it reminds listeners of old-school soul-pop and gives off alternative dance vibes with a sultry twist of hip-hop and R&B added to the mix. The song is a combination of pure genius and innate talent polished with passion.

‘PULL UP ON ME’ stands out because of its lyrical intrigue and depth of melody. Featuring an unorthodox groovy beat, the song becomes a fine fusion of mainline melodies with a captivating theme. The opening of the song builds anticipation and the introductory hook immediately grabs the listeners’ attention and curiosity. The light and breezy energy that the singer’s vocals emit compel listeners to slip right into a laid-back mood. The verses flow with a steady rhythm growing on to the audience and soon listening to the track one time no longer feels enough.

Having produced a significant number of singles and albums consisting of funk hip hop and R&B, **BFunkN** has already had his music played in three different movies and is already planning on growing his musical repertoire even further.
