New York City, New York Jan 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - With over 20 years of experience as a spine surgeon, Dr. Gaiser is the Owner & Operator of Southern Orthopedic Spine Surgery in Panama City, Florida. He is committed to giving each patient the highest level of health services in a professional and caring environment.

In order to return to a fulfilling lifestyle of maximum functional capability, Dr. Gaiser abides by a philosophy that each of his patients deserves thoughtful and timely treatment to minimize complications and reduce recovery time. He offers vast expertise for recovery needs including: foot & ankle, arthroscopic surgery, hand care, pediatric care, shoulder care, spine care, and sports medicine.

Helping patients achieve optimal health and movement, Dr. Gaiser holds practice credentials at Gulf Coast Regional Medical Center, Bay Medical Sacred Heart, and the Panama City Surgery Center (where he serves as Chairman of the Board of Directors).

Prior to his current endeavors, he served as the Medical Director for Southern Orthopedic Specialists, P.A., and as the Director of Spine Services at Gulf Coast Medical Center. He also held positions as an Adjunct Assistant Professor of Orthopedic Surgery at Des Moines University and Chatham University in Pennsylvania.

Academically, Dr. Gaiser graduated with his Doctor of Osteopathic Medicine degree from the Kansas City University of Medicine and Biosciences. After finishing his residency at St. Vincent Mercy Medical Center at Ohio University, he completed a specialized rotation in spine surgery at the nationally renowned Cleveland Clinic and the Florida Spine Institute.

Offering the latest methods of treatment for all orthopedic needs, the doctor is board-certified in orthopedic surgery by the American Osteopathic Board of Orthopedic Surgery (AOBOS). The AOBOS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of disorders of the musculoskeletal system.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

A dedicated professional, Dr. Gaiser has been honored as the Best of Bay 2018 Orthopedic Doctor, sponsored by the Panama City News Herald.
