New York City, New York Jan 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted family nurse practitioner, Cynthia is the Owner of FaceTime Aesthetics in Tucson, Arizona. She strives to provide a variety of services and a one-stop-shop experience that will boost her patients' self-confidence and leave them feeling their best. She provides an array of injection services, body and skin solutions, IV hydration &

vitamin therapy, laser therapy, and lash & brow treatments.

The team of talented medical professionals at FaceTime Aesthetics combines advances in medical technology and expertise to give patients glowing skin and a dose of self-care. Their purpose is to enhance patients' natural beauty and to give them the confidence that they need and deserve.

Back in 2012, Cynthia graduated with her nursing degree from Pima Community College. She then went on to earn her Master of Science in Nursing degree from the University of Arizona.

Continuously advancing her efforts, she is an active member of the American Academy of Nurse Practitioners, the American Nursing Association, and the Sigma Theta Tau International Honor Society of Nursing.

On a more personal note, Cynthia attributes her success to putting other people first and listening to understand.

A Family Nurse Practitioner (FNP) is an advanced practice registered nurse who works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the "family" patient population focus, FNPs offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
