

Darlyne Cange, DPM, a Podiatrist in Private Practice

Get to know Podiatrist Dr. Darlyne Cange, who serves patients in Maryland.

New York City, New York Jan 28, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Cange is Glen Burnie & Ellicott City's leading, a go-to podiatrist in private practice. She specializes in the treatment of all foot and ankle conditions from infants and children to adults while maintaining the highest professional standards in her specialty.

Her practice - Darlyne Cange, DPM, LLC - provides comprehensive podiatric specialty care to treat surgical and non-surgical foot and ankle conditions. These conditions include birth deformities, foot and ankle pain, heel pain, skin rashes, sports-related conditions, toenail fungus/infection, plantar fasciitis, peripheral neuropathy, and tendonitis, amongst others.

Educated in the United States, Dr. Cange graduated with her Bachelor of Arts degree in Chemistry with a minor in Spanish from the University of South Florida in 1996. She then went on to earn her Doctor of Podiatric Medicine degree from the Barry University School of Podiatric Medicine in 2002.

After a one-year primary podiatric medicine residency conducted at Augusta Veterans Affairs Medical Center in Georgia, Dr. Cange served her podiatric surgical residency at Baltimore Veterans Affairs Medical Center in Maryland, which she completed in 2007.

A podiatric physician and surgeon, she is a Diplomate of the both American Board of Multiple Specialties in Podiatry (in lower extremity geriatric medicine) & the American Board of Podiatric Medicine.

In addition to being a Fellow of the American College of Podiatric Medicine and a Fellow of the American Society of Podiatric Surgeons, she is an active member of the American Podiatric Medical Association, the Maryland Podiatric Medical Association, the International Foot and Ankle Foundation, and Delta Sigma Theta Sorority, Inc.

Currently, Dr. Cange is licensed to practice medicine in the following states: Maryland, Florida, and Georgia. More specifically, she is affiliated with Northwest Hospital and Sinai Hospital.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremities. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.

On a more personal note, Dr. Cange speaks Spanish, French, and Creole in addition to English.
