

Dovi Prero, DDS, MS, an Orthodontist with Prero Orthodontics

Get to know Orthodontist Dr. Dovi Prero, who serves patients in California.

New York City, New York Jan 4, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Prero, a board-certified orthodontist, is the Owner & Operator of Prero Orthodontics. Conveniently located in Beverly Hills, his office features the most updated technology available, including intraoral scanners and 3D x-rays.

A firm believer in treating patients like family, Dr. Prero loves the satisfaction that comes with creating beautiful smiles and healthy lives. One of eleven children, all of whom saw the same orthodontist, he

was inspired early on by the impact that the orthodontic treatment had on his family and the quality of their lives. For this reason, he seeks to have that same impact on each of his patients, setting the standard for patient care and communication.

“I became an orthodontist because of the relationship I can create with my patients. It’s about the feeling of being taken care of, of another person’s interest in your success and self-esteem” said Dr. Prero.

In addition to cutting-edge dental technology and orthodontic solutions, his dental practice is characterized by his passion for his work, commitment to his local community, and personal approach to every patient.

After attending Towson University in Baltimore for his undergraduate studies, Dr. Prero moved on to receive a Master’s degree in Education from Loyola University Maryland. He then went on to attend dental school at UCLA and did his orthodontic residency at USC, where he received a Master’s degree in Craniofacial Biology.

An active member of the American Association of Orthodontists, he is board-certified in orthodontics by the American Board of Orthodontics (ABO). The ABO is the global leader in orthodontic board certification and sets the standards of care for excellence in orthodontics and dentofacial orthopedics.

A Top 1% Diamond Plus Invisalign Provider, Dr. Prero designs more than 400 PreroInvisalign smiles every year.

Orthodontics is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. Orthodontists are responsible for identifying problems with the positioning of a patient’s teeth and with their oral development. They utilize the most advanced procedures and equipment available to ensure that every patient achieves a healthy and beautiful smile.

In addition to offering patients compassionate and comprehensive orthodontic care, Dr. Prero is deeply involved with his community in Beverly Hills. He frequently donates his time, efforts, and money to several charitable, non-profit organizations throughout Southern California and the world. He is an active member of a committee that helps less fortunate students pay for college tuition, and also regularly participates in several local youth sports leagues as a volunteer referee.

Proud to serve his wonderful community, he lives in the Beverly Hills area with his wife, Naomi, and his children - Eliana, Alexandra, and David. He has completed rabbinic ordination.
