

Fatima Flood, MD, an Obstetrician-Gynecologist with Crystal Run Healthcare Newburgh

Get to know Obstetrician-Gynecologist Dr. Fatima Flood, who serves patients in Newburgh, New York.

New York City, New York Jan 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - A devoted obstetrician-gynecologist, Dr. Flood joined Crystal Run Healthcare Newburgh in 2015. She enjoys helping people during their time of need and finds the science of how the body works to be fascinating.

Looking at her patients as if they were her family, or placing herself in their shoes, Dr. Flood loves that the OB/GYN specialty is the perfect juxtaposition of surgery and primary care. She can build long-lasting relationships with women, and advise them on how healthy eating habits prevent many diseases.

Crystal Run Healthcare is one of the fastest-growing multi-specialty group practices in the country. It has over 400 exceptional physicians in nearly 50 medical specialties with multiple practice locations focused on the healthcare needs of the Hudson Valley and lower Catskill region.

The mission of Crystal Run Healthcare is to improve the quality and availability of, and satisfaction with, healthcare services in the communities it serves. To accomplish this goal, the practice emphasizes medical excellence, as well as responsiveness to the consumer, needs through service excellence and patient empowerment.

Back in the early days of her academic career, Dr. Flood graduated with her undergraduate degree from The City College of New York. She then went on to earn her medical degree from SUNY Downstate College of Medicine, after which she performed her residency in obstetrics and gynecology at Nassau University Medical Center.

Subsequent to her training, she attained board certification in obstetrics and gynecology through the American Board of Obstetrics and Gynecology (ABOG). The ABOG is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

Outside of the office, Dr. Flood enjoys cooking and trying new recipes.
