- **What is Leawo Blu-ray Creator mainly for?**

[Leawo Blu-ray Creator](#) is a professional Blu-ray burning program that features high-speed burning and personalized design and options. The program is capable of converting all kinds of video files to DVD or Blu-ray-compatible format and directly burning them to an optical disc or ISO image file. Apart from burning video files to playable Blu-ray or DVD with original quality, the program also provides a built-in video editing module to allow users to edit the video before burning. The various editing functions include trimming, cropping, adding watermarks, adding 3D effects, removing noise, and more, providing as much freedom and flexibility as possible for professional users.

Besides the basic burning functions and the advanced editing module, Leawo Blu-ray Creator also provides some practical functions. For example, users can design and make a DVD menu for chapters to their yet-to-burned Blu-ray and DVD, choose output resolution and aspect ratio, and designate advanced disc type.

The original price for this professional yet easy-to-use Blu-ray burning program is \$59.95. In the New Year Promo, which is valid till February 15, 2023, customers can get Blu-ray Creator on the home page of this event at a price of \$39.97 with a 40% discount. Meanwhile, the same discount can also be applied to [Leawo Blu-ray Ripper](#), [Leawo Blu-ray Copy](#), [Leawo Blu-ray Cinavia Removal](#), and other toolkits.
