Shenzhen, Guangdong Feb 1, 2023 (Issuewire.com) - Can you believe 2022 is already behind us? It's the first month of 2023 when to cast your mind to the year ahead. While many of us are trying to save money after Christmas and New Year, January sales are filled with record-low prices on a variety of products. If you are looking to save money on software for a multimedia solution, then Leawo [2023 New Year Sales Free Giveaway & 70% OFF Specials](#) is the best place to go. Until Feb. 15, 2023, you can shop 60% off Ultimate Blu-ray Toolkit, other up to 70% discounts, 30% off sitewide coupon as well as a \$19.99 Music Recorder for free.

The first sale of 2023 has already kicked off, and it's the best time to stock up on movies. Especially if you have a large collection of Blu-rays, Leawo Ultimate Blu-ray Toolkit will be your best mate. It is a 4-in-1 package to decrypt, rip, and convert Blu-ray/DVD to video/audio files in various formats, burn photo/video files to Blu-ray/DVD, copy and back up Blu-ray/DVD, remove the Cinavia watermark from Blu-ray to get Cinavia-free Blu-ray copies, and more. With a 60% discount, it is \$143.92 right now,

saving \$225.97.

- [Blu-ray Copy](#) provides you with the best solution to copy Blu-ray movies and copy DVD movies without quality loss. It adopts advanced Blu-ray duplication technology to perform 1:1 disc backup of BD50, BD25, DVD-9, DVD-5 discs, and even 3D disc backup. Chapters and titles from the source Blu-ray or DVD will be fully preserved in the backup.
- [Blu-ray Ripper](#) is the best Blu-ray ripper software that can rip and convert Blu-ray to video, and extract audio from Blu-ray to save to all popular formats. It is also backward compatible with DVD-to-video conversion. That means it's actually a comprehensive Blu-ray/DVD ripper software that can handle both Blu-ray and DVD conversions.
- [Blu-ray Creator](#), as its name implies, can burn videos to Blu-ray or DVD, including BD50, BD25, DVD-9, and DVD-5. In addition, it can burn Blu-ray/DVD photo slideshow from more than 180 formats like MP4, AVI, MKV, FLV, BMP, etc. More than 40 disc menu templates are preset to allow you to create your own video and photo slides.
- [Blu-ray Cinavia Removal](#) is designed to help you get rid of the Cinavia limitation, a movie protection technology applied to audio tracks that prevent unauthorized copying or playback on Cinavia-compatible players. With this software, you can remove the Cinavia watermark on Blu-ray content for smoother playback and other uses.

If you are clear about your needs, Leawo Software also provides different combinations of discounts. For example, the 2-in-1 Blu-ray Toolkit that includes Blu-ray Copy and Blu-ray Ripper is 50% off, and every single item in Ultimate Blu-ray Toolkit is also 40% off. Plus, the 4K UHD Blu-ray and DVD counterparts enjoy similar discounts. More details can be learned through the event page. If you care more about streaming movies, then [CleverGet](#) will be more helpful because it can download videos in up to 8K resolution from more than 1000 websites. And, it's also 50% off. All in all, no matter what multimedia solutions you need, this sale can satisfy you.
