

Hyderabad's Malla Reddy University is offering scholarships of 10 crore rupees.

For the upcoming Academic Year (2023-24), we are inviting applications for Engineering, Agriculture, Paramedical, Management & Public Policy courses. Malla Reddy University is conducting a Common Entrance Test (MRUCET) from 23rd to 29th April, 2023.

Hyderabad, Telangana Jan 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - Malla Reddy University is offering scholarships of 10 crore rupees to students who have shown good performance in common entrance tests & also to talented students who are financially backward. Dr. VSK Reddy, Vice-Chancellor, of Malla Reddy University, said, "For the upcoming Academic Year (2023-24), we are inviting applications for Engineering, Agriculture, Paramedical, Management & Public Policy courses. Malla Reddy University is conducting a Common Entrance Test (MRUCET) from 23rd to 29th April 2023. This entrance exam is open to students of all State Boards, the Central Board & other recognized institutions across India. Students can register themselves and know more about the examination details by visiting the university's website www.mallareddyuniversity.ac.in. Over the past 3 years, our world-class professors with experience of more than 35 years have left an indelible mark. Malla Reddy University is the first green field private university to offer emerging specialization programs."
