

Irish Rebel Prince pressuring status Through his debut album!

Revelation album by Doozie

London, England Jan 30, 2023 (Issuewire.com) - Doozie aka Owen Mc Grory initially OMG has ousted us with his latest statement that the Irish rebel is pressing for Prince status Through music!

The Prince has finished producing an album incarcerated through the British Monarchs authority reveling the 24th of February!

His label G8 intelligence state the prince is trying to prove is above himself as the lead linguistist in this English language!

The melodies and lyrics are all made from scratch harmonised by Doozies own labeled psychotic entity!

G8 states it is typically British that a man from Ireland who represents the rebel authenticity would be labeled psychotic for standing up against the patriarchy!

This music slaps!

Doozie is dropping a pre-order and new music on his YouTube weekly which is proving himself as a true conisour of good music!

We at G8 cannot get enough of this young Prince and the revolution he leads

Hin the next coming Fridays they release one song per week until the debut release

<https://youtube.com/@doozie> so fearlessly!
