

Ivey Amour's Newest Single 'Persuade Me' is Making the Listeners Feeling Self-love

The recent single 'Persuade Me' by the talented singer Ivey Amour is the perfect anthem of self-love and confidence, making the listeners fall in love with themselves.

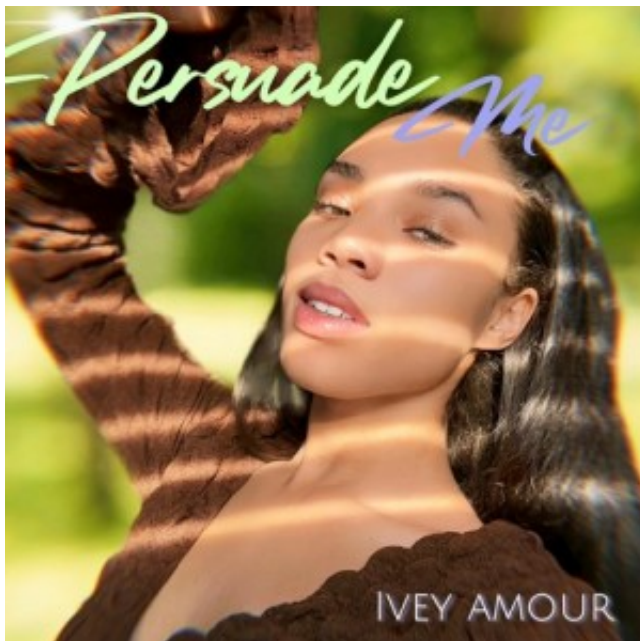

St. Louis, Jan 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - Promising young talent **Ivey Amour** is relatively new to the industry but is creating quite a lot of buzz with her musical releases. Her unique vocals and music style have already helped her gain a name for herself and her new single '[Persuade Me](#)' has helped her spread her wings even more. Expanding reach with every release, the singer shows that she is here in the industry to stay as she displays a massive range of talents with her new single. The fresh song sounds like a paradise for R&B music lovers and is already gaining praise and recognition from all over the world.

The music of [Ivey Amour](#) is unique in itself as it is the perfect blend of R&B music and jazz that gives it a sultry and passionate melody. This is ideally complemented by the heavenly vocals of the artist that almost gets the listeners to a different zone. '**Persuade Me**' is also the quintessential example of an R&B track, carrying the true essence of the genre. To top it off, the creative artist is also a talented songwriter. Even though the song is written by Janelle Brown, the artist did an exceptional job at storytelling. The lyrics are all about self-love and discovering self-worth and treating oneself better which is not only consummate but also became successful in sharing the vibe with the listeners.

The track is now available on all major music streaming platforms including [SoundCloud](#), [Spotify](#), and [Apple Music](#). You can also listen to her previous tracks like 'Mine', 'Streets', 'Dimension', 'Self Control', etc. Follow her on [Instagram](#), [Twitter](#), and [Facebook](#) for more insights.
