Jacksonville, Florida Jan 2, 2023 ([IssueWire.com](https://www.issuewire.com)) - The Jacksonville Athletic Academy (JAA) junior college football program has been selected as the Winner of 2022 Best of Fleming Island Awards in the category of Junior College Sports Program. This is a well-deserved recognition for the hard work and dedication of the JAA football program and its coaches, players, and support staff.

Under the leadership of Head Coach Nolan Carroll, the JAA football program has continued to thrive and achieve success. Coach Carroll has a wealth of experience as both a player and a coach and has instilled a culture of hard work, discipline, and teamwork within the program.

The JAA football program is known for its tough, fast-paced physical style of play and its commitment to excellence in all aspects of the game. The team is made up of talented, hardworking college student-athletes who are dedicated to improving their skills and helping the team succeed.

In addition to its on-field success, the JAA football program is committed to giving back to the community. The team frequently participates in community service projects and works to promote positive values and leadership among its players.

The Jacksonville Athletic Academy is proud of its football program and well-deserved recognition as the Winner of 2022 Best of Fleming Island Awards in the category of Junior College Sports Program. We look forward to continuing to provide our players with a top-quality educational and athletic experience and to representing our community with distinction on and off the field.
