Vilafranca del Penedes, Jan 3, 2023 ([IssueWire.com](https://www.issuewire.com)) - Up-and-coming music artist **Helena Sadurní** is offering a soothing musical experience with the latest track '[Caminando](#)'. The singer has done an amazing job in creating this single that is crafted with an exciting musical arrangement and beautiful vocal skills. It is a deftly produced Spanish single that comes with a poetic lyrical approach

that speaks about the rhythm of life. The title of the track means 'walking' which is referred to the way of life and moving ahead. Helena possesses a magnificent voice that takes the song to a whole new level. The artist's meandering vocal skills playfully glide through the soundscape. The musical arrangement in the track offers a soul-touching acoustic groove with classical guitar and soft tropical percussion.

The track '**Caminando**' is one of the greatest musical works by Helena where Patrick Hopmans offered ample contribution as the composer and arranger of it. Patrick is well revered as a great repertoire of soulful pop music who has written several tracks in English. This is his first musical project in Spanish. Helena's sheer individuality has offered an additional layer of creativity to the song even though she was only 14 years old when the song was recorded.

Helena Sadurní is an emerging music artist however, her musical proficiency has already proved how well-seasoned she is. The artist is currently gaining at full throttle on her musical journey and there is no stopping now. Walking on the steps of success, Helena is setting an example for all.
