

Judy Ponce-Levin, FNP, a Family Nurse Practitioner with Wesley Health & Wellness Center

Get to know Family Nurse Practitioner, Judy Ponce-Levin, who serves patients in San Antonio, Texas.

New York City, New York Jan 4, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Treating patients of all ages, Judy is a family nurse practitioner at Wesley Health & Wellness Center in San Antonio, Texas. She is devoted to the health and well-being of her patients with a focus on family medicine and urgent care.

Owned and operated by Methodist Healthcare Ministries of South Texas, Wesley Health & Wellness Center is a primary care clinic that addresses the medical and dental needs of people who cannot afford health insurance. Services are provided on a sliding fee scale based on ability to pay, household income, and family size.

Committed to improving health care outcomes and quality of life, Judy has clinical interests ranging from diabetes, and gastroenterology to acute chronic disease processes. She also performs sports physicals, physical exams, well-women exams, and well-child exams with an interest in preventative care.

Academically, she completed her undergraduate study at Texas Tech University Health Sciences Center in Lubbock, where she also earned a Master of Science in Nursing degree, with a focus on Family Medicine and Internal Medicine. She then went on to earn her Doctor of Nursing degree from Grand Canyon University in Phoenix, Arizona.

Certified by the American Association of Nurse Practitioners, Judy is an active member of the Sigma Theta Tau International Honor Society of Nursing, the Texas Nurse Practitioners, and San Antonio Nurses in Advanced Practice. She attributes her success to always wanting to be a good example to her family, especially her children.

A Family Nurse Practitioner (FNP) provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNPs maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.

Away from work, Judy enjoys traveling with her family, scuba diving, skiing, hiking, fishing, and sampling different cuisines. Quality time with her children is especially important to her; they are the “zest” of her life. She is fluent in both English and Spanish.
