

Karl Kasischke, MD, a Neurologist with AdventHealth Medical Group Neuroscience

Get to know Neurologist Dr. Karl Kasischke, who serves patients in Florida.

New York City, New York Jan 4, 2023 ([Issuewire.com](https://www.issuewire.com)) - With a 20-year track record as a successful clinical neurologist and neuroscientist, Dr. Kasischke works at AdventHealth Medical Group Neuroscience at Tampa in Florida. He specializes in the management of rare medical conditions that lead to stroke and brain disorders, post-stroke epilepsy, and vascular disorders.

Since experiencing a stroke-related loss in his own family, it has been Dr. Kasischke's passion to become a neurologist. His goal is to recognize the disease early and treat his patients with the same empathy and dedication he would his own family.

After graduating with his medical degree from the Medical Faculty of Ulm University, he has unique training in neurology, vascular neurology, and neuroscience from top universities and hospitals in the United States and Germany. He performed his residency in neurology and his fellowship in vascular neurology at USF Health Morsani College of Medicine.

Among his professional affiliations, Dr. Kasischke is an active member of the American Academy of Neurology, the American Medical Association, and the Alpha Omega Alpha Honor Medical Society.

With years of experience treating adults and geriatrics, he is board-certified in neurology by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Neurology is the branch of medicine dealing with the diagnosis and treatment of all categories of conditions and diseases involving the brain, the spinal cord, and the peripheral nerves. Neurologists diagnose, treat, and manage conditions affecting the brain and spinal cord, and disorders of the nerves and muscles that activate movement and transmit sensations from around the body to the brain.

Outside of his passion for medicine, Dr. Kasischke enjoys spending time with his wife and two sons, staying active, and working on his pet science project. He is fluent in both English and German.
