

Ken Cubelli, MD, FAAOS, an Orthopedic Surgeon with Tri-County Orthopedics

Get to know Orthopedic Surgeon Dr. Ken Cubelli, who serves patients throughout the State of New Jersey.

New York City, New York Jan 31, 2023 ([Issuewire.com](https://www.issuewire.com)) - Get to know Orthopedic Surgeon Dr. Ken Cubelli, who serves patients throughout the State of New Jersey.

A highly respected orthopedic surgeon with over 30 years of practice experience, Dr. Cubelli is affiliated

with Tri-County Orthopedics, seeing patients at their Jefferson and Denville offices. He specializes in treating conditions related to the ankle, foot, hand, knee, and shoulder.

As a specialist in sports medicine, he is affiliated with the Sports Medicine Center at Tri-County Orthopedics, which is designed to provide athletes with comprehensive education and exceptional surgical care through the combined knowledge, experience, and expertise of their specialty-trained sports medicine doctors.

With a broad educational background, Dr. Cubelli received his Bachelor of Science degree in Biochemistry from Manhattan College and later went on to earn his medical degree from the NYU Grossman School of Medicine. He then completed his residency at the University of Medicine and Dentistry of New Jersey, where he received extensive training in orthopedic surgery.

Distinguished as a Fellow of the American Academy of Orthopedic Surgeons (FAAOS), the doctor is board-certified in orthopedic surgery by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons as well as evaluating the qualifications and competence of orthopedic surgeons.

As a New Jersey native, Dr. Cubelli has a long-standing commitment to providing the highest quality of care to patients in the state. He currently maintains hospital privileges with Saint Clare's Hospital in Denville, Morristown Medical Center in Morristown, and Saint Clare's Hospital in Dover. He is also an active member of the Eastern Orthopedic Association.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

Named a "Top Doc" in the New York Metro Area on several occasions, Dr. Cubelli has been the recipient of the Patients' Choice Award (2018, 2017, 2016, 2015, 2014, 2013, 2012), Compassionate Doctor Recognition (2018, 2017, 2016, 2014, 2013), On-Time Doctor Award (2018, 2017, 2016, 2014), and Patients' Choice 5th Anniversary Award (2018, 2017, 2016).
