

Leawo Announces 2023 New Year Deals & Distributes a 60% OFF Ultimate UHD Blu-ray Toolkit

Leawo Software unleashes the 2023 New Year Special Promo to provide Music Recorder the freebie as well as a 60% off Ultimate Blu-ray Toolkit. This promo is valid before Feb. 15, 2023.

Shenzhen, Guangdong Jan 7, 2023 (Issuewire.com) - In recent years, the emergence of 4K UHD technology has revolutionized the way we watch films and television shows. People are now able to experience all genres of 4K UHD content in ways that were once only available to a select few. Many software developers subsequently release appropriate 4K UHD processors to assist people to convert or back up 4K Blu-ray discs to other devices for flexible playback. Leawo Software, the preeminent company in the multimedia industry, has rolled out its [2023 New Year Promotion](#) with a 4K UHD Blu-ray Toolkit at its lowest price ever. What's more, everyone can grab a freebie - Music Recorder to record free music from any built-in input audio, computer audio, and online music sources.

- **Can I get the freebie without any purchase?**

The freebie Music Recorder is open to everyone. Every visitor is welcome to get the registration code of Leawo Music Recorder no matter if they are going to purchase specific items or just browse around.

Step 1: Go to the [New Year promotion page](#) and navigate to the “New Year Giveaway Gift” part

Step 2: Fill in the blank with the required info (name and email address)

Step 3: Check out the registration code in your mailbox

Step 4: Activate the Music Recorder with the received registration code and start to record audio on your computer

- **Introduce each item in Ultimate UHD Blu-ray Toolkit**

Leawo Ultimate Blu-ray Toolkit is a powerful bundle, consisting of UHD Ripper, UHD Copy, and UHD Drive Tool. This Comprehensive UHD Blu-ray toolkit to downgrade 4K/UHD Blu-ray drive firmware, decrypt, rip and convert 4K Blu-ray to 4K/1080P/720P videos, copy and back up 4K Blu-ray movies to computer or blank disc in 1:1 or movie-only backup mode.

[Leawo UHD Ripper](#), which is qualified to decrypt and rip 4K Blu-ray movies to a hard drive or blank disc, remaining high-quality. Featuring major unique functions, Leawo UHD Ripper gained a good reputation on the market and is popular with users. As a professional 4K Blu-ray ripping software tool, Leawo UHD Ripper could not only rip and convert 4K Blu-ray movies to 4K MKV, and 4K MP4 files, but also convert Blu-ray movies to 1080P MP4, AVI, MKV, MOV, WMV, etc. You could then freely watch Blu-ray movies on TV, smartphones, tablets, etc. It comes with advanced disc decrypting features that could convert 4K Blu-ray discs with AACS 2.0 protection while some rivals have to be assisted by plugins.

[Leawo UHD Copy](#) is capable of copying 4K UHD Blu-ray movies with every element remaining as it comes with 2 different copy modes: Full Movie and Main Movie. The Full Movie mode delivers quality lossless BD100 to BD100, BD66 to BD66, and even 1:1 3D UHD disc backup, keeping every element in source 4K Ultra HD movies. Main Movie mode enables 1:1 movie-only backup of UHD discs for space and time-saving.

[Leawo UHD Drive Tool](#) is designed to downgrade firmware on an un-friendly Blu-ray drive to a compatible version for ripping, copying, and playing 4K UHD content without hassle. Here is a list of [Blu-ray drives that UHD Drive Tool is compatible with](#) now, and Leawo Software claimed that they'll explore more 4K Blu-ray drives in the future.

- **Pricing and availability**

Now the Ultimate 4K/UHD Blu-ray Toolkit is available at the time-limited price of \$123.94, and the full price tag of this bundle is \$309.85. To get this versatile bundle, just click the "Buy Now" button in red on the promotion page, and submit the order. After that, you can activate the bundle using the received registration code in the mailbox.
