

Luxelimo Unveils New Chauffeur Driven Mercedes E-Class

Luxelimo has added a luxury chauffeur driven Mercedes E Class car in it's fleet. You can book this car online and be driven in the comfort of your own car for business or leisure travel needs!

London, United Kingdom Jan 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - Luxelimo is proud to announce the addition of its latest luxury chauffeur car, the Mercedes E-Class. The new E-Class has been designed with the utmost attention to detail and comfort, offering passengers a truly unparalleled travel experience.

The new Mercedes E-Class features the latest in-car technology, including a fully-integrated infotainment system, advanced driver assistance systems, and a state-of-the-art climate control system. Passengers can enjoy a comfortable and quiet ride, thanks to the car's advanced aerodynamics and soundproofing.

The exterior of the E-Class exudes elegance and sophistication, with its sleek lines and sporty design. The car's spacious interior is finished in the finest materials, including leather seats and wood trim. Passengers can also enjoy the latest entertainment options, including a high-definition display screen and a premium sound system.

The Mercedes E-Class is powered by a range of advanced engines, including a hybrid powertrain that offers exceptional fuel efficiency without compromising on performance. The car's advanced suspension system and dynamic handling provide a smooth and stable ride, even on the most challenging roads.

Luxelimo is committed to providing the highest level of service and support to its customers. The company's network of professional staff and frequent maintenance ensures that the E-Class is always running at peak performance.

The new [chauffeur-driven Mercedes E-Class](#) chauffeur car is now available for hire and can be customized to meet the specific needs of any customer. We invite you to experience the ultimate in luxury and comfort with the new Mercedes-Benz E-Class.
