Get to know Dentist Dr. Manvir Kaur, who serves patients in Burlington, Washington.

New York City, New York Jan 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Kaur is a gentle and caring dentist working at Hilde Family Dentistry in Burlington, Washington. She believes in ensuring her patients receive the highest quality of dental care.

Hilde Family Dentistry is a team of caring, experienced dental professionals who use only the most advanced technologies, materials, and procedures & whose primary focus is on comfortable, health-centered dentistry. They offer comprehensive dental care, including everything from preventive education and routine hygiene that help to reduce dental problems, to expert cosmetic and restorative solutions for the dental issues patients face.

Academically, Dr. Kaur received her Bachelor of Science degree in Biology with honors from the University of Washington. She then continued her studies at the University of Washington School of Dentistry, where she earned her Doctor of Dental Surgery degree.

Dedicated to providing the latest dental care, Dr. Kaur has taken many continuing education courses in fixed prosthetics and restorative dentistry. She also has hands-on training in Botox injection for cosmetic purposes and facial pain management.

Among her professional dental affiliations, she is an active member of the American Dental Association, the Washington State Dental Association, and the Snohomish County Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Outside the office, Dr. Kaur works to encourage and empower the next generation of dentists and participates in outreach programs that aim to increase access to dental care. She also enjoys spending time with her friends and family, as well as discovering new places to eat.
