

Medical Equipment on Rent,Sale and Icu Setup at Home By Medirent Services

Medirent Services Pvt Ltd is India's Leading Home Health Care Company.

Gurgaon, Haryana Jan 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - This journey started in 1990 with a vision “to bring happiness in people’s lives by providing healthcare solutions”. It has been the motto, credo, and guiding star of the NORMA group since then. After pioneering the concepts of Custom Compressing Garments and Back Care Backrests under the brands' NORMA and AMRON respectively, NORMA Group pioneered the concept of Home Healthcare in India under the brand MEDIRENT.

Medirent services started by taking a revolutionary and innovative step by renting out expensive [Medical Equipment on Rent](#) for home use at affordable rentals in the year 2007.

Hospitalization can save the patient's life in critical illnesses, but proper home care leads to a faster and more comprehensive recovery. Caregiving at home often requires hi-tech, expensive medical equipment. These equipment are expensive and are generally needed for a few days or weeks, thus, it makes little sense to buy them. Medirent started addressing this issue by providing them with rent for home use.

Medical Equipment Available at Affordable Rentals

Starting in 2007, Medirent Services has emerged as a "Category definer" in renting out expensive medical equipment for home use at affordable rentals. MEDIRENT provides Hospital Bed on Rent in Delhi, [Wheelchair on Rent](#), [Bipap Machine on Rent](#), Oxygen Concentrator on Rent, Cylinder on rent, Home ICU Setup in Delhi, Ventilator on rent, [Patient Bed for Home](#), etc. All this equipment is also available for sale as per the need of patients and caregivers. Medirent also offers home care services like Nursing/Attendant services, Home-dressing services, Home-based sleep studies, and Buyback options for used medical equipment.

Best Nursing & Homecare Attendant Services with a Dedicated Patient Counseling Team

Through its nursing & homecare attendant services, Medirent provides attendants, ANMs & GNM/nurses with assisting with ADLs (Toileting, Bathing, Dressing, Eating & Mobility) and for rehabilitation education and practice (as per guidelines of the Doctor), oral and parental drug delivery support, and monitoring all vital parameters of critically ill patients. All the staff is professionally trained and courteous. In addition, services of Home Physiotherapy, Home pathology including X-Rays and ECGs, and bathroom safety retrofitting are also provided.
