With a growing population, changing family patterns, and an increase in migration, India is facing a housing backlog, an infrastructure deficit, and a rising number of homeless individuals and slum dwellers.

To provide a fair opportunity for those in need, [MeraSapna.in](https://www.merasapna.in) has launched India's first online property prize competition, where participants can win a house by purchasing a ticket for as low as Rs 501. The competition is open to Indian citizens aged 18 and above, with a valid PAN number and Aadhaar card.

Explore [MeraSapna.in](https://www.merasapna.in)'s latest prize properties on the website and mobile app and select your favourite to enter the competition. Single tickets or bundle options are available, with discounts on purchases of 5, 11, 21, or 51 tickets. All tickets will be emailed to entrants, and they can also view their ticket numbers and order history in their accounts.

The competition closes on the date mentioned on the website and the live prize draw will take place on the closing day. The property will be transferred to the winner free of stamp duty and legal fees, which will be borne by MeraSapna.in. The winner shall sign over the deeds of the property once he submits the verification documents.
