Milwaukee, Wisconsin Jan 12, 2023 ([IssueWire.com](http://www.IssueWire.com)) - Top Furnace Guide, a leading provider of heating and cooling information, is pleased to announce the release of its 2023 High-Efficiency Gas Furnace Prices Guide. This comprehensive guide is designed to help homeowners and businesses in the greater Milwaukee, WI area navigate the various options and prices available for high-efficiency gas furnaces.

Get the price guide here: <http://topfurnaceguide.com/prices>

The guide addresses the question - of how much is a new gas furnace - by providing information on the latest models and brands of 90-plus high-efficiency gas furnaces and comparing prices for each. In addition, the guide also provides information on energy savings, rebates and tax credits, and financing options.

The gas furnace replacement cost estimator includes the following brands and model prices with installation: Carrier Performance Gas 96, Lennox Signature Collection SLP98V, Payne 80% PG8MEA, Trane XR95, Goodman GMVM96, Bryant Evolution System Plus 95S, American Standard Platinum ZV, Amana AMVM96 Premium, and York Affinity Series YP9.
