

Passionpreneur Publishing proudly announces that Mohannad Halaby has started the journey of becoming a published author

His upcoming inspiring book is titled **I Entered The Bermuda Triangle** and will be available via major players in the global book distribution field.

The book *I Entered The Bermuda Triangle* by Mohannad Halaby shares that thousands of years ago people were curious to know about the hidden city that lived with different dimensions according to Plato's theory.

Today, MH revealed an empire collaborating with our world with different dimensions and powers beyond humankind inside the Bermuda triangle.

MH then stated to Plato: "Better than the area you mentioned, mine existed before our world and with the capability to end it."

Once released, the book will be available in print format in the USA, UK, Europe, Australia, New Zealand, and the Middle East; and the e-book will have distribution from more than 70 online partners serving readers across the globe.

About The Author:

Mohannad Halaby is a Lebanese man who mixed spirituality, romance, and thriller through his first work 'Twenty-One Days', which was published in London, in 2015 and translated into 8 languages.

MH continued his challenges to movie script writing and stated 38 Laws to upgrade the level of criticizing and media production.

Recently, MH became the world's first author to create a new genre known as 'Real Fiction Stories'.
