**Greensboro, Jan 10, 2023 ([Issuewire.com](https://www.issuewire.com))** - A pulsating mix of dreamy laid-back vocals with a free-style aura, **Ramel Shakir's** music compiles elements of classic hip-hop with a chill groove of summery synths. The three new tracks by the artist, '[Too Hot 4 Tv](#)', '[Bussin](#)', and '[Waves](#)', make for a memorable listening experience with the characteristic hypnotic quality that the artist infuses in his tracks.

'**Waves**' deals in catchy hooks and heartfelt trap with organic hip-hop elements that get listeners playing it on repeat in no time.

Growing up singing in a church choir, **Ramel Shakir** fuses this upbringing with his love of hip-hop, gifting listeners a unique musical ride they cannot get over easily.
