About Rapture RDY

Revealing in his faith that weaves a constant narrative throughout his work, singer-songwriter and rapper Rapture RDY is reinterpreting Hip Hop with a style rarely heard in today's music industry. Combining Rap, Blues, and a Christian message, he is transforming what audiences can expect to hear from a Rap artist.

Based out of Benton Kentucky which is cradled amongst the hills of the Clarks River, you would expect its artists to be immersed in Bluegrass and the culture that surrounds it. Not Rapture RDY who lays down laconic and laid-back rhymes with a hint of his country heritage and a whole lot of Rap swagger that is as refreshing as the Kentucky breeze.

Releasing three tracks in 2022 in quick succession, he quickly established himself as a renowned artist with singles 'Hard Times', and 'Crossroads' and culminating in his latest song 'Me Against The World' with Ceron Mayes. Thoroughly addictive with a lone piano creating the melody, Rapture RDY drops his own truths and reflects on the hard life he's endured. Showcasing his incredible talents for an ever-growing audience, all three singles showcase his astonishing diversity, tight lyrical flow, and the fire that burns within.

Now keeping God by his side, his songs are the inspiration and the lesson that there is salvation for those that seek it out. As he himself says, 'Nothing is better than seeing light in your life', and Rapture RDY has found that flame and is making the climb towards bigger and better things.
