Tucson, Arizona Jan 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - RIGHTSURE Launches Revolutionary Bundle and Discount Discovery Technology Platform.

RIGHTSURE, North America's Most Awarded Insurance Firm, is proud to announce the launch of its new bundle and discount discovery technology platform.

This innovative technology is designed to simplify insurance for the masses and help people in 42 states save money by bundling their insurance needs.

RIGHTSURE is known for its famously friendly humans and commitment to providing excellent customer service. With the launch of their new bundle technology, they are leveraging their proprietary discount discovery technology to make insurance more accessible and affordable for everyone.

The bundle platform is perfect timing for many Americans as they seek economic relief during these challenging times. By bundling their insurance needs, customers can save hundreds of dollars annually while still receiving the same comprehensive coverage they need to protect themselves and their loved ones.

"At RIGTHSURE, we are always looking for ways to make insurance more accessible and affordable for our customers," said Maria Geary, Director of The Bundling Technology Group, ff RIGTHSURE. "With this latest launch, we are proud to offer a new way for people to save money on their insurance needs while still receiving the same high-quality coverage they have come to expect from us."

RIGHTSURE's new bundle and discount discovery platform are now available for customers in 42 states. To learn more and to start saving today, visit the company's website or speak with one of their Famously Friendly Humans.
