

Roy M. Stark, DDS, a Dentist in Private Practice

Get to know Dentist Dr. Roy M. Stark, who serves patients in Delray Beach, Florida.

New York City, New York Jan 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - In private practice, Dr. Stark has been serving South Palm Beach County since 1984. He offers a wide range of dental services that include advanced cosmetic dentistry procedures such as teeth whitening, dental implant restorations, and complete smile makeovers. He also offers more familiar procedures such as cleanings, natural color filling, dentures, crowns, and bridgework.

His goal is to provide patients with comprehensive family and cosmetic dentistry in a comprehensive and caring manner in a state-of-the-art facility. Dr. Stark wants to provide this treatment through a team effort, building on personal relationships between the patient, the doctor, and the staff, using advanced techniques and materials.

“Building a foundation of trust by treating our patients as special individuals is vital to our success. We understand how uneasy some patients may feel about their dental visits, and how we can make a difference in providing a relaxing and positive experience. Our entire team is dedicated to providing you with excellent, personalized care and service to make visits as comfortable and pleasant as possible” as stated on his website.

In regards to his educational background, Dr. Stark graduated with his Bachelor of Science degree from

Long Island University in 1980. He then went on to earn his Doctor of Dental Surgery degree from the Georgetown University School of Dentistry in Washington, D.C. in 1984.

An active member of the American Dental Association, his mission is to use his professional skills, personal attention, and genuine care to help improve the dental health of his patients.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
